

Burgers, Chips and Peas Method

Addition

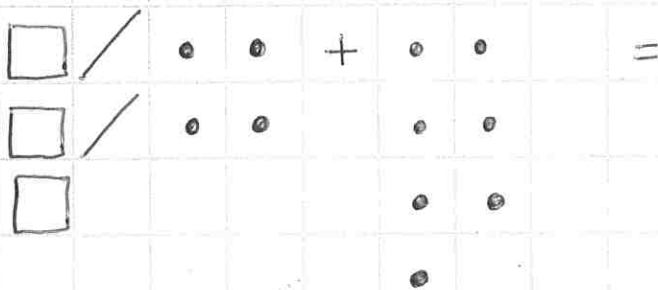

□ = hundreds (burgers)

/ = tens (chips)

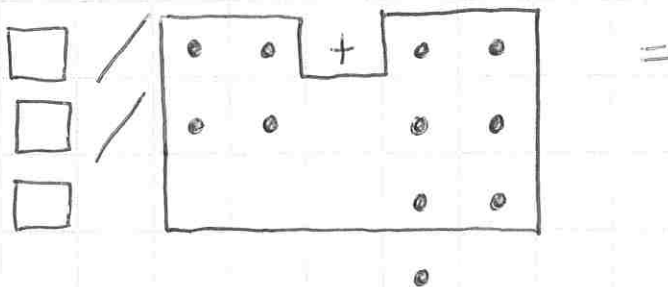

• = ones (peas)

Step 1: Draw number and picture representation.

$$324 + 7 =$$

Step 2: If 10 or more peas, group 10 together to make a chip.

Step 3: Draw and write the answer

$$3 \ 2 \ 4 \quad + \quad 7 \quad = \quad 3 \ 3 \ 1$$
