

Term 3 Frozen!

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Focus this week:	Focus this week:	Focus this week:	Focus this week:	Focus this week:	Focus this week:
Introducing the theme of Winter and Fred Frog phonics day (Friday)	Looking at ice and snow and how it is formed.	Animals in winter – hibernation	The RSBP Big Garden bird watch 2026	The Aurora Borealis – where it is and what does it look like?	Penguins
Suggested home learning: Can you write a list of cvc words in your book to read to Fred? Try and sound them out yourself. Try to use the correct formation. Ex: cat, sat, mat	Suggested home learning: Can you draw or make a snowflake? Discuss how they are all unique and different. How many points does a snowflake have?	Suggested home learning: Can you look at what happens to animals when it is winter. Can you draw an animal such as a fox, mouse, squirrel from our story 'The snowy night' by Nick Butterworth.	Suggested home learning: Can you make a tally of the birds you can see from your garden or window for 10 minutes? Ask an adult to help you identify them. What do they look like?	Suggested home learning: Look at places in the World on a map where you can spot the Northern Lights, such as the Arctic circle, Norway a Iceland. If you want to create a picture of them you can.	Suggested home learning: Label a penguin with flipper, head, feet etc. You could look at the lifecycle of a penguin. You could find where they live on a map.
