Nurture - TERM 5: Language Is A Vital Means Of Communication - The Words We Use When We Talk To Eachother Is Important

As a whole school we are constantly encouraging our children to name and express their feelings, explore why they might be feeling them and discuss different ways where they could manage them effectively. We have begun to establish our Nurture Workshops, incorporating 60 minute sessions with groups of 4-6 pupils addressing subjects such as anxiety, self-esteem, friendships and how to nurture themselves as well as nurturing people around them.

We are very confident that our pupils know that they have approachable adults in school when needed, to talk to and who will listen. Being heard is vital to feeling valued and supported. When you feel valued you gain confidence in expressing how you're feeling in an effective way.

Thankyou, so much, to all the children who entered the Term 5 Nurture Competition. Look out for Term 6's competition!! Winners will be announced next week. I hope you have a fantastic break. See you next term. Mrs Selfe x
