Nurture Ambassadors!

This week, I am absolutely delighted to introduce our school's very first Nurture Ambassadors! **Lacey, Kitty, Isabelle & Rejoice**. This is such a special moment for our school, and I am incredibly proud of the children who will be taking on this important role.

Our Nurture Ambassadors will help us bring our Nurture Principles to life each day, championing kindness, friendship, belonging and making sure everyone feels safe, valued and included. They will be wonderful role models, reminding us all that even the smallest acts of kindness can make a big difference to someone else's day.

And what a lovely way to begin their new roles! Their very first task was to help collect donations for 'Hello Yellow' Day today, supporting an important cause and helping to raise awareness of children's mental health and wellbeing. It was wonderful to see them putting our nurture values into action straight away, showing care, kindness and a real sense of responsibility.

I am so excited to see our ambassadors grow in their roles and help us continue to build a school community where every child feels that they belong.

A huge congratulations to our first Nurture Ambassadors! I know they will make us all very proud, and I can't wait to see the positive difference they will make.
